FAQs

Is Afghan Kush legal to ship internationally?
We comply with international cannabis and hemp shipping laws. THC levels may affect eligibility in some countries. Always check local laws before ordering.

Can I buy Afghan Kush in small retail amounts?
Absolutely! Afghan Kush is available in multiple packaging sizes—from 1g to full ounces for retail customers.

Do you provide COAs for each batch?
Yes. Every batch comes with a Certificate of Analysis verifying cannabinoid content, terpene profile, and purity standards.

What’s the best way to store Afghan Kush?
Keep it in a cool, dark, airtight container. This preserves the terpene profile and prevents cannabinoid degradation.

How long does shipping take?
We offer worldwide shipping with standard, express, and insured delivery options. Timeframes vary based on destination.

Can dispensaries white-label Afghan Kush from you?
Yes, we offer white-label and custom packaging options for wholesale clients upon request.
