Amnesia Haze – Energizing Sativa for Global Retail and Bulk Buyers

Amnesia Haze is the ultimate choice for those seeking a creative, energetic cannabis experience. This legendary sativa strain—boasting a genetic lineage from Jamaican, South Asian, and Hawaiian landrace strains—delivers a euphoric mental high with a refreshing citrus flavor and earthy undertones. Its award-winning profile, including a victory at the Cannabis Cup, makes it a staple in any premium cannabis catalog.

Perfect for cannabis retailers, wholesalers, and end-users alike, Amnesia Haze stands out for its consistent potency, long-lasting effects, and smooth burn. Whether you're restocking dispensary shelves or enjoying a personal smoke session, this strain offers unmatched quality in every gram.

Wholesale and Retail Benefits of Amnesia Haze

Wholesale Buyer Advantages:

- **Global Demand:** A well-known strain that drives consistent sales.
- **Bulk Pricing Options:** Save more with larger volume purchases and repeat buyer programs.
- **Ready-to-Ship Inventory:** Available in half-pound, full-pound, and kilo quantities.
- **Compliant and Tested:** Every shipment includes a COA and packaging that meets export standards.

Retail Consumer Advantages:

- **Daytime Use Favorite:** Boosts focus, creativity, and sociability without fogginess.
- **Distinct Citrus Flavor:** Sweet lemon zest combined with herbal pine.
- **Long-Lasting High:** Strong sativa effects that keep you uplifted for hours.
- **Smooth Vapor or Smoke:** Clean burn due to high-quality curing and trimming.

Popular Strains Similar to Amnesia Haze

- **Lemon Haze** – Sweet and tangy citrus sativa with creative highs.
- **Super Silver Haze** – Classic haze profile with energetic undertones.

- **Sour Diesel** – Pungent fuel aroma and stimulating cerebral buzz.
- **Strawberry Cough** – Sweet berry aroma and euphoric clarity.
- **Jack Herer** – Balanced sativa for motivation and stress relief.

FAQs

Is Amnesia Haze legal to ship worldwide?
Yes, we follow international shipping guidelines. Final legality depends on your country's THC/CBD laws.

What packaging sizes are available?
We offer Amnesia Haze in retail-ready 1g to 28g bags, and in wholesale sizes ranging from 100g to 1kg.

Does Amnesia Haze cause actual memory loss?
Despite the name, Amnesia Haze does not cause memory loss. The "amnesia" refers to its dreamy, cerebral effects.

Can I use Amnesia Haze for medical purposes?
Many users report relief from depression, stress, and fatigue. Consult a healthcare provider for medical use.

Do you offer COAs with each order?
Yes, all batches are third-party tested and shipped with full Certificates of Analysis.

Is this organically grown?
Yes, our Amnesia Haze is cultivated using organic methods with no harmful pesticides or GMOs.
