About Black Runtz

Black Runtz – A Rich and Relaxing Indica-Dominant Hybrid
Black Runtz is an indica-dominant hybrid strain favored for its deeply satisfying flavor profile and calming effects. With a mix of rich, dark fruit flavors—like berries and grapes—layered with hints of sweetness and earthy undertones, Black Runtz delivers a luxurious and smooth experience. This strain is ideal for unwinding at the end of the day, letting your mind and body fully relax.

Terpene Profile

The unique flavor and effects of Black Runtz stem from its robust terpene profile:

- **Myrcene:** Brings an earthy, herbal note that promotes deep physical relaxation.
- **Caryophyllene:** Offers a spicy, peppery accent that helps to ease stress and tension.
- **Limonene:** Adds citrusy brightness to uplift the mood and encourage calm clarity.

Effects

Black Runtz provides a soothing experience that begins with a gentle wave of euphoria, melting away stress and tension. As the mental uplift sets in, a calming physical relaxation spreads throughout the body, helping to ease muscles and promote tranquility. These effects make Black Runtz an excellent choice for quiet evenings, stress relief, or simply unwinding after a long day.

Immerse yourself in the indulgent flavors and serene effects of Black Runtz—a strain that blends fruity richness with grounding relaxation. Perfect for winding down or finding peace, Black Runtz offers a deeply rewarding encounter for those

seeking an indica-leaning hybrid with a touch of sweetness.

Why Choose Black Runtz THCA Flower?

- **Verified potency:** 26.96% THCA, third-party lab tested with a COA.
- **Signature flavor:** mix of rich, dark fruit.
- **Indica experience:** true-to-strain indica effects you can rely on.
- **Farm Bill compliant:** hemp-derived and under 0.3% delta-9 THC by dry weight.

Black Runtz THCA Flower

What Is THCA Flower?

THCA flower is premium hemp-derived cannabis flower naturally rich in tetrahydrocannabinolic acid (THCA). In its raw form THCA is non-intoxicating; when heated through smoking or vaping it converts to THC (decarboxylation), delivering the full experience. Every batch is third-party lab tested and compliant with the 2018 Farm Bill.

How to Enjoy Black Runtz THCA Flower

Grind a small amount and enjoy it in a pipe, bong, joint, or dry-herb vaporizer. Store the buds in an airtight glass jar away from light and heat to preserve the terpenes, aroma, and potency.

The Gold Canna Quality Promise

Every order of Black Runtz THCA Flower is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.

Black Runtz THCA Flower FAQ

How potent is Black Runtz THCA Flower?

This batch of Black Runtz THCA Flower tests at 26.96% THCA. THCA converts to THC when heated, so treat this as a high-potency product and start low.

Is it legal?

This is a hemp-derived product containing less than 0.3% delta-9 THC by dry weight, consistent with the 2018 Farm Bill. State laws vary and change — confirm your local rules before ordering. Must be 21+ to buy.

How is it shipped?

Black Runtz THCA Flower ships discreetly and securely in 28 grams ($45). Learn more about what THCA is.
