About Animal Face

Animal Face Flower

Animal Face is an invigorating **sativa-dominant hybrid strain** known for its unique aroma and impressive effects. The flower boasts vibrant, frosty green buds with a dusting of trichomes and striking orange pistils, making it a showstopper in any collection. Its flavor profile combines nutty, cookie-like sweetness with refreshing notes of pine and earth, offering a well-rounded and deeply satisfying experience.

Terpene Profile

Animal Face's distinct character is shaped by its impressive terpene composition:

- **Limonene:** Brings a bright, citrusy freshness that promotes an uplifted mood.
- **Caryophyllene:** Adds subtle spicy and earthy tones while offering a calming influence.
- **Pinene:** Infuses refreshing pine notes, enhancing mental clarity and focus.

Effects

As a **sativa-leaning hybrid**, Animal Face delivers an energetic yet grounded experience. It starts with an uplifting cerebral buzz that inspires creativity and focus, making it a great daytime strain. As the high evolves, it introduces a smooth, calming body effect that melts away tension without heavy sedation. Whether you're engaging in artistic endeavors, socializing, or simply looking for a way to elevate your day, Animal Face delivers a balanced, refined cannabis experience.

Why Choose Animal Face Greenhouse THCA Flower?

- **Verified potency:** 25.47% THCA, third-party lab tested with a COA.
- **Signature flavor:** nutty, cookie-like sweetness with refreshing.
- **Sativa experience:** true-to-strain sativa effects you can rely on.
- **Farm Bill compliant:** hemp-derived and under 0.3% delta-9 THC by dry weight.

Animal Face Greenhouse THCA Flower

What Is THCA Flower?

THCA flower is premium hemp-derived cannabis flower naturally rich in tetrahydrocannabinolic acid (THCA). In its raw form THCA is non-intoxicating; when heated through smoking or vaping it converts to THC (decarboxylation), delivering the full experience. Every batch is third-party lab tested and compliant with the 2018 Farm Bill.

How to Enjoy Animal Face Greenhouse THCA Flower

Grind a small amount and enjoy it in a pipe, bong, joint, or dry-herb vaporizer. Store the buds in an airtight glass jar away from light and heat to preserve the terpenes, aroma, and potency.

The Gold Canna Quality Promise

Every order of Animal Face Greenhouse THCA Flower is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.

Animal Face Greenhouse THCA Flower FAQ

How potent is Animal Face Greenhouse THCA Flower?

This batch of Animal Face Greenhouse THCA Flower tests at 25.47% THCA. THCA converts to THC when heated, so treat this as a high-potency product and start low.

Is it legal?
