Skywalker OG – Galactic Indica Hybrid Power for Bulk & Retail Buyers

Skywalker OG, a cross between **Skywalker** and the legendary **OG Kush**, is a potent **indica-dominant hybrid** known for its strong sedation, earthy aroma, and euphoric high. This strain is popular with users who need powerful relief from stress, pain, or insomnia—and it delivers with **THC levels often exceeding 24%**.

Loved for its **heavy, couch-locking effects**, **herbal pine flavor**, and **top-shelf bag appeal**, Skywalker OG is a smart addition to both **retail shelves** and **bulk wholesale portfolios**. Each flower is hand-trimmed, organically cultivated, and backed by full lab testing for international compliance.

Benefits of Skywalker OG for Wholesale & Retail Buyers

Wholesale Buyer Benefits:

- **High THC Demand:** Popular in both medical and recreational markets.
- **Bulk Pricing:** Available from 250g to 1kg+ with tiered discounts and COA verification.
- **Private Label Ready:** White-label solutions for dispensaries and cannabis brands.
- **Export Compliant:** Documentation for international buyers and legal markets.

Retail Buyer Benefits:

- **Powerful Effects:** Euphoric onset followed by deep, lasting physical calm.
- **Classic OG Flavor:** Earthy, spicy, with hints of citrus and diesel.
- **Sleep-Friendly:** Ideal for evening use, pain management, and anxiety relief.
- **Aesthetic Appeal:** Dense, frosty buds with bold coloration and aroma.

Similar Strains to Skywalker OG

- **OG Kush** – Parent strain with legendary potency and earthy diesel notes.
- **Death Star** – Relaxing, heavy indica with a pungent fuel aroma.
- **Skywalker** – Original hybrid with mellow, spacey effects.

- **Kosher Kush** – Sedative indica with herbal pine flavor.
- **Bubba Kush** – Strong body high and sleep-inducing properties.

FAQs

Is Skywalker OG a full indica?
It’s an indica-dominant hybrid that behaves like a true indica—sedating, body-heavy, and calming.

What does Skywalker OG taste like?
Expect earthy herbs, pine, citrus zest, and a strong OG diesel finish.

Is it available for wholesale and retail?
Yes, it comes in 1g–28g retail formats and bulk options up to 1kg for commercial clients.

Is this strain good for insomnia or pain?
Absolutely. It’s widely used to relieve chronic pain, inflammation, and sleep issues.

Do you include lab results with each order?
Yes. Every order includes COAs confirming cannabinoid content, terpene profile, and safety testing.

Do you ship Skywalker OG internationally?
Yes, to cannabis-legal regions. We provide all export and compliance documentation.
