

## Birthday Cake - The Sweet Hybrid Sensation for Bulk & Retail Buyers

**Birthday Cake** (also known as *Birthday Cake Kush* or *Wedding Cake x Girl Scout Cookies*) is a decadent indica-dominant hybrid that lives up to its name. With rich flavors of vanilla frosting and creamy cookie dough, this strain delivers a dessert-like experience alongside powerful physical relaxation and gentle mental euphoria.

Perfect for end-of-day use or enhancing social vibes, **Birthday Cake** is a top-tier option for both retail consumers and wholesale distributors. Retailers love the visual appeal and irresistible scent that draws buyers in, while bulk clients value its consistency, potency, and widespread popularity. All batches are lab-tested to ensure purity, potency, and compliance.

## FAQs

### **Is Birthday Cake a good strain for beginners?**

Yes, its effects are balanced, offering manageable relaxation and mild euphoria—though dosage should still be moderated due to its potency.

### **Can I purchase Birthday Cake in both retail and wholesale formats?**

Absolutely. We offer everything from 1g retail packs to full-pound wholesale orders.

### **Does Birthday Cake have medicinal benefits?**

Many users report it helps with anxiety, insomnia, pain, and appetite stimulation. However, medical use should be supervised by a healthcare professional.

### **How is Birthday Cake packaged for bulk shipment?**

All wholesale shipments are vacuum-sealed, labeled with COA details, and packed discreetly for global delivery.

### **What's the shelf life of properly stored Birthday Cake?**

Stored in a cool, dark, airtight container, Birthday Cake maintains flavor and potency for up to 12 months.

### **Do you provide terpene profiles with orders?**

Yes, terpene content is included in our full Certificate of Analysis for each batch.
