## About Black Amber

### Black Amber Flower

Black Amber is a deeply relaxing indica strain renowned for its smooth, earthy flavor profile with hints of spice and subtle sweetness. The dense, resinous buds feature rich hues of dark green and purple, glistening with trichomes that reflect its potency. This strain is an excellent choice for those seeking a serene, calming experience accompanied by a rich and warming aroma.

---

### Terpene Profile

The distinct experience of Black Amber is defined by its aromatic blend of terpenes:

- **Myrcene:** Dominates the profile with herbal, musky notes that enhance its relaxing effects.
  - **Caryophyllene:** Adds a bold, peppery spice and supports a sense of comfort and ease.
  - **Humulene:** Infuses a woody, earthy note that complements the strain's grounding qualities.
- 

### Effects

Black Amber is an ideal companion for unwinding, offering a full-bodied calm that soothes both the mind and body. Its indica nature makes it perfect for settling in at the end of the day or finding comfort during peaceful moments. The strain's tranquil

effects, paired with its rich flavor, create an indulgent experience that provides deep relaxation and stress relief. Black Amber's allure lies in its potency and inviting warmth, making it a favorite for indica lovers.

## **Why Choose Black Amber Indoor THCA Flower?**

- **Verified potency:** 26.09% THCA, third-party lab tested with a COA.
- **Signature flavor:** smooth, earthy.
- **Indica experience:** true-to-strain indica effects you can rely on.
- **Farm Bill compliant:** hemp-derived and under 0.3% delta-9 THC by dry weight.

Black Amber Indoor THCA Flower

## **What Is THCA Flower?**

THCA flower is premium hemp-derived cannabis flower naturally rich in tetrahydrocannabinolic acid (THCA). In its raw form THCA is non-intoxicating; when heated through smoking or vaping it converts to THC (decarboxylation), delivering the full experience. Every batch is third-party lab tested and compliant with the 2018 Farm Bill.

## **How to Enjoy Black Amber Indoor THCA Flower**

Grind a small amount and enjoy it in a pipe, bong, joint, or dry-herb vaporizer. Store the buds in an airtight glass jar away from light and heat to preserve the terpenes, aroma, and potency.

## **The Gold Canna Quality Promise**

Every order of Black Amber Indoor THCA Flower is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.

## **Black Amber Indoor THCA Flower FAQ**

### **How potent is Black Amber Indoor THCA Flower?**

This batch of Black Amber Indoor THCA Flower tests at 26.09% THCA. THCA converts to THC when heated, so treat this as a high-potency product and start low.

### **Is it legal?**

This is a hemp-derived product containing less than 0.3% delta-9 THC by dry weight, consistent with the 2018 Farm Bill. State laws vary and change — confirm your local rules before ordering. Must be 21+ to buy.

## **How is it shipped?**

Black Amber Indoor THCA Flower ships discreetly and securely in 14 grams (\$79.99), 28 grams (\$149.99). Learn more about [what THCA is](#).
