What Makes Meat Pie a Global Standout

Meat Pie, a cross between **Chemdawg D** and **Birthday Cake**, is a flavor-forward hybrid strain from **Cannarado Genetics**. It boasts a unique profile: **meaty diesel aroma**, creamy vanilla backend, and lemon-zest finish. The high begins with **euphoric head lift**, followed by a **grounding, full-body calm**—perfect for winding down without couchlock.

With **potency levels near 27% THC** and a dense, frosty structure, Meat Pie stands out in both **connoisseur markets** and **mainstream retail programs**.

- **High Potency**: 27% THC ensures customer satisfaction

- **Versatile Appeal**: Fits both recreational and medical product lines
- **Export-Ready**: COA-compliant batches under 0.3% delta-9 THC available
- **Private Label Flexibility**: Offered in custom packaging or bulk-ready

Great for **flower jars, pre-rolls, curated strain drops, and top-shelf collections**.

Strains Similar to Meat Pie That Customers Also Love

- **Chemdawg D** – The original gas-forward hybrid
- **Birthday Cake** – Dessert-like sweetness with calming effects
- **Meat Breath** – Bold and savory with heavy indica effects
- **Lemon Kush** – Zesty citrus uplift with mellow finish

FAQs About Meat Pie

What does Meat Pie taste and smell like?
A unique blend of **savory diesel**, creamy vanilla, and citrus spice.

What effects can I expect from Meat Pie?
Euphoric, uplifting onset followed by relaxing, grounded calm—balanced and long-lasting.

Can I ship Meat Pie internationally?

Yes. COA-backed batches are available under hemp-compliant laws (<0.3% delta-9 THC) for global shipment.

Is this strain suitable for medical use?
Yes. Many use it to treat stress, anxiety, fatigue, and appetite loss.

What formats is it available in?
Retail sizes (3.5g–28g), pre-rolls, or bulk by the pound or kilo.

Is lab testing included?
Absolutely. All orders ship with third-party COA reports covering potency, terpenes, and contaminants.
