About Motor Breath

Motorbreath – A Powerful and Relaxing Indica-Dominant Hybrid

Motorbreath is an **indica-dominant hybrid** that lives up to its bold name, offering a fuel-forward aroma with hints of citrus and earth. Known for its heavy-hitting effects, this strain combines flavor and relaxation seamlessly. Its fascinating blend of diesel and lemon notes make Motorbreath a coveted strain for those looking to unwind after a long day.

Terpene Profile

Motorbreath's distinctive flavors and effects are shaped by its impressive terpene lineup:

- **Caryophyllene**: Brings a peppery spice while easing stress and tension.
- **Limonene**: Adds bright citrus notes for a subtle mood boost.
- **Myrcene**: Contributes to its calming, earthy aroma and promotes relaxation.
- **Humulene**: Adds a woody element and may help reduce physical discomfort.

Effects

Motorbreath delivers relaxing effects that start with a wave of euphoria and mental calm, gradually transitioning into a full-body experience. Ideal for evening use, this strain melts away stress and tension, leaving you in a tranquil state perfect for unwinding or preparing for restful sleep. It's an excellent companion for achieving

both mental and physical serenity.

With its bold diesel flavors, citrus highlights, and deeply relaxing effects, Motorbreath is perfect for cannabis enthusiasts seeking an indica-dominant hybrid that brings both flavor and calm to the table.

Why Choose Motor Breath THCA Flower?

- **Verified potency:** 24.55% THCA, third-party lab tested with a COA.
- **Signature flavor:** a rich, distinctive flavor.
- **Indica experience:** true-to-strain indica effects you can rely on.
- **Farm Bill compliant:** hemp-derived and under 0.3% delta-9 THC by dry weight.

Motor Breath THCA Flower

What Is THCA Flower?

THCA flower is premium hemp-derived cannabis flower naturally rich in tetrahydrocannabinolic acid (THCA). In its raw form THCA is non-intoxicating; when heated through smoking or vaping it converts to THC (decarboxylation), delivering the full experience. Every batch is third-party lab tested and compliant with the 2018 Farm Bill.

How to Enjoy Motor Breath THCA Flower

Grind a small amount and enjoy it in a pipe, bong, joint, or dry-herb vaporizer. Store the buds in an airtight glass jar away from light and heat to preserve the terpenes, aroma, and potency.

The Gold Canna Quality Promise

Every order of Motor Breath THCA Flower is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.

Motor Breath THCA Flower FAQ

How potent is Motor Breath THCA Flower?

This batch of Motor Breath THCA Flower tests at 24.55% THCA. THCA converts to THC when heated, so treat this as a high-potency product and start low.

Is it legal?
