□ Strain Profile: Bubba Kush - Legendary Indica Genetics

- **Genetics:** Pre-98 Bubba Kush (Indica dominant)
- **Appearance:** Dense, sticky buds with rich green hues and purple undertones
- **Aroma:** Earthy, gassy, with notes of coffee and spice
- **Flavor:** Classic kush flavor – pungent, earthy, smooth

- **THCa Potency:** High – ranges from 22% to 26%+

This **high-potency hemp flower** is grown indoors under strict environmental controls, resulting in top-shelf bag appeal and strong cannabinoid content ideal for retail resale.

□ **Effects: Relaxation, Stress Relief, and Deep Calm**

Bubba Kush THCa Flower is known for its full-bodied, sedative effects that make it ideal for evening use. Consumers report:

- Relief from physical tension and muscle discomfort
- A sense of mental tranquility
- Help with sleep support and stress reduction

Its heavy-hitting Indica properties make it a consistent best-seller across all retail platforms.

□ **Lab-Tested for Purity, Safety & Compliance**

Every batch of our **Bubba Kush THCa Flower wholesale** is third-party lab tested for:

- Cannabinoid profile (including THCa percentage)

- Terpenes and flavonoids
- Contaminants: Pesticides, heavy metals, and residual solvents
- Moisture content and microbial safety

You'll receive a Certificate of Analysis (COA) with every bulk order to ensure your retail buyers receive compliant, high-quality product.

□ **FAQs About Bubba Kush THCa Flower Wholesale**

Q1: Is your Bubba Kush THCa Flower federally legal?

Yes. Our THCa flower is hemp-derived and complies with the 2018 Farm Bill (less than 0.3% Delta-9 THC).

Q2: Can I resell this product in my state?

If your state allows hemp-derived cannabinoids, you're good to go. We recommend checking your local regulations.

Q3: Do you offer COAs with each order?

Absolutely. All wholesale THCa flower orders come with third-party lab results.

Q4: What's the shelf life of Bubba Kush THCa Flower?

Stored properly (cool, dark, and dry), our THCa flower maintains peak potency for up to 12 months.

Q5: How is your THCa flower shipped?

We use smell-proof, discreet, and vacuum-sealed packaging with compliant documentation for safe delivery.

Q6: Can I get samples before placing a bulk order?

Yes! Contact our wholesale team for sample packs and strain previews.
