Why Our Cheetah Piss Is Legal THCa Flower Wholesale

This flower contains less than 0.3% Delta-9 THC on a dry weight basis and is fully compliant with the 2018 Farm Bill. We include **certified lab results** (COAs) with each order. That means you can legally purchase and resell this **premium THCa flower for wholesale** across the U.S., depending on your local hemp laws.

Perfect For:

- Retailers offering exotic or top-shelf THCa strains
- Pre-roll companies looking for high-terpene flower
- Extract brands seeking exotic resin-rich material
- Bulk suppliers building white-label flower lines
- Hemp shops needing verified, legal THCa buds

FAQs: Cheetah Piss THCa Flower Wholesale

Is Cheetah Piss THCa flower federally legal?
Yes. It contains under 0.3% Delta-9 THC and complies with the 2018 Farm Bill, making it legal in most states that allow hemp products.

What's the typical potency of Cheetah Piss THCa flower?
Our Cheetah Piss strain averages 26–31% THCa, offering one of the strongest wholesale THCa flower options on the market.

How is the flower shipped to ensure freshness?
We vacuum-seal all orders and use odor-proof, discreet packaging with tracked, fast shipping nationwide.

Do you offer private label services?
Yes. We provide white-label packaging solutions for businesses looking to launch or expand their own THCa brand.

What kind of buyers is this flower best for?

Retailers, extractors, preroll companies, and THCa distributors seeking high-quality exotic flower for volume sales.

Are lab test results included?
Absolutely. Every bulk THCa flower order comes with full-panel COAs for compliance and consumer transparency.
