About Cookies and Cream

Cookies and Cream Flower

Cookies and Cream is a **balanced hybrid strain** that stands out with its creamy, vanilla flavor and subtle nutty undertones, accompanied by a gentle hint of earthy richness. Its buds are fluffy and dense, featuring a spectrum of green hues with hints of frosty trichomes that sparkle in the light. This delectable strain is as delightful to the senses as it is versatile, appealing to those who appreciate both its flavorful experience and soothing, well-balanced effects. And even better - you can grab this outstanding hybrid for **less than \$100 an ounce**.

Terpene Profile

The exceptional flavors and effects of Cookies and Cream are driven by a harmonious terpene blend:

- **Caryophyllene:** Adds a spicy, peppery essence and promotes physical relaxation.
- **Limonene:** Contributes a bright citrus note, uplifting mood and enhancing mental clarity.
- **Myrcene:** Brings out herbal, earthy tones while supporting a calming, tranquil body feel.

Effects

Cookies and Cream offers a beautifully balanced experience ideal for daytime or evening enjoyment. Its effects begin with a euphoric wave of mental clarity, creativity, and uplifting energy, making it perfect for social interactions or productive moments. As the high progresses, a soothing body relaxation gently

takes over without leaving you feeling overly sedated. Whether you're unwinding after a long day or simply looking for a strain that adapts to any occasion, Cookies and Cream delivers an experience that's as sweet and smooth as its name suggests.

Cookies and Cream Sungrown THCA Flower

What Is THCA Flower?

THCA flower is premium hemp-derived cannabis flower naturally rich in tetrahydrocannabinolic acid (THCA). In its raw form THCA is non-intoxicating; when heated through smoking or vaping it converts to THC (decarboxylation), delivering the full experience. Every batch is third-party lab tested and compliant with the 2018 Farm Bill.

How to Enjoy Cookies and Cream Sungrown THCA Flower

Grind a small amount and enjoy it in a pipe, bong, joint, or dry-herb vaporizer. Store the buds in an airtight glass jar away from light and heat to preserve the terpenes, aroma, and potency.

The Gold Canna Quality Promise

Every order of Cookies and Cream Sungrown THCA Flower is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.
