

## Why Darth Vader OG Rules the Market

**Darth Vader OG** lives up to its name with **dark purple flowers**, bold effects, and a commanding terpene profile. This strain is a descendant of **Purple Kush** and **Skywalker OG**, combining heavy body effects with a sweet berry-gas flavor and calming mental elevation.

Highly recommended for **nighttime use**, Darth Vader OG is popular in both **medical and recreational markets**, especially for users seeking relief from insomnia, pain, and anxiety. Its aesthetic appeal and high potency make it a favorite for **wholesale buyers, pre-roll lines, and top-shelf menus**.
