

Donkey Butter - Heavy-Hitting Indica Hybrid for Global Bulk & Retail Buyers

Donkey Butter is not for the faint of heart. This **indica-dominant hybrid** (created by crossing *Grease Monkey* and *Triple OG*) delivers **intense body relaxation**, a bold **diesel-fuel funk**, and **high THC potency** that makes it a favorite among experienced users and medical patients alike.

Ideal for evening or nighttime use, Donkey Butter hits hard and lingers long, often leaving users in a peaceful, sedated state. Dispensaries and wholesalers love it for its **top-shelf bud structure**, **eye-catching trichome coverage**, and **marketable nose**. If your customers crave potency, Donkey Butter is the strain to stock.

FAQs

Is Donkey Butter suitable for daytime use?

No. Due to its heavy sedative effects, Donkey Butter is best reserved for evenings or pre-bedtime.

How does Donkey Butter taste and smell?

Expect bold diesel fumes up front, followed by earthy, nutty flavors with a gassy aftertaste.

Can I buy it in both retail and bulk quantities?

Yes. Donkey Butter is available in 1g, 3.5g, and 28g formats for retail, and in 250g, 500g, and 1kg formats for wholesale.

Is this strain good for medical use?

Yes. Many users find relief from insomnia, chronic pain, anxiety, and muscle spasms.

Do you include lab reports with orders?

Every shipment includes a third-party COA covering cannabinoid potency, terpene content, and safety compliance.

Is international shipping available?

Yes, we provide compliant packaging and documentation for international cannabis buyers in legal regions.
