

Gary Payton - Elite Hybrid Strength for Retail & Bulk Cannabis Buyers

Gary Payton, a collaboration between **Cookies** and **Powerzzz Genetics**, is one of the most in-demand hybrid strains on the global cannabis market. This evenly balanced hybrid (50% indica / 50% sativa) is a cross of **The Y** and **Snowman**, delivering a strong **gas and cookie dough aroma**, powerful euphoria, and long-lasting physical and mental effects.

Retail consumers love its cerebral clarity followed by relaxing waves of body calm, while bulk buyers recognize **Gary Payton** for its consistent quality, stunning appearance, and consumer demand. It's a staple in high-end cannabis menus, known for its **high THC**, elite genetics, and versatility.
