## About Gas Face

### Gas Face - A Heavy-Hitting Indica for Relaxation and Eased Tension

Gas Face is a robust, indica-dominant strain known for its bold, fuel-like aroma and deeply calming effects. Boasting a flavor profile of gassy diesel with hints of earthy vanilla and a touch of nuttiness, this strain offers a truly indulgent experience. Perfect for evening use, Gas Face is the ideal companion for unwinding, melting stress away, and soothing both body and mind.

### Terpene Profile

Gas Face's intense aroma and deeply relaxing effects are powered by its unique combination of terpenes:

- **Caryophyllene:** Delivers spicy and diesel-like notes while promoting stress relief and calmness.
- **Myrcene:** Contributes earthy and herbal tones, amplifying relaxation and physical comfort.
- **Limonene:** Adds a subtle citrusy freshness, elevating mood and reducing feelings of tension.

### Effects

Gas Face delivers a slow-building, full-body calm that eases muscle tension and settles the mind into a state of tranquility. Its effects begin with a subtle wave of mental relaxation, gradually transitioning into a heavy, couch-locking body high that can help with stress, tension, or simply unwinding after a long day. A classic indica experience, Gas Face is perfect for nighttime use or whenever deep relaxation is your goal.

crafted for ultimate relaxation and relief.

## Why Choose Gas Face THCA Flower?

- **Verified potency:** 24.84% THCA, third-party lab tested with a COA.
- **Signature flavor:** bold, fuel-like.
- **Indica experience:** true-to-strain indica effects you can rely on.
- **Farm Bill compliant:** hemp-derived and under 0.3% delta-9 THC by dry weight.

Gas Face THCA Flower

## **What Is THCA Flower?**

THCA flower is premium hemp-derived cannabis flower naturally rich in tetrahydrocannabinolic acid (THCA). In its raw form THCA is non-intoxicating; when heated through smoking or vaping it converts to THC (decarboxylation), delivering the full experience. Every batch is third-party lab tested and compliant with the 2018 Farm Bill.

## **How to Enjoy Gas Face THCA Flower**

Grind a small amount and enjoy it in a pipe, bong, joint, or dry-herb vaporizer. Store the buds in an airtight glass jar away from light and heat to preserve the terpenes, aroma, and potency.

## **The Gold Canna Quality Promise**

Every order of Gas Face THCA Flower is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.

## **Gas Face THCA Flower FAQ**

### **How potent is Gas Face THCA Flower?**

This batch of Gas Face THCA Flower tests at 24.84% THCA. THCA converts to THC when heated, so treat this as a high-potency product and start low.

### **Is it legal?**

This is a hemp-derived product containing less than 0.3% delta-9 THC by dry weight, consistent with the 2018 Farm Bill. State laws vary and change — confirm your local rules before ordering. Must be 21+ to buy.

## **How is it shipped?**

Gas Face THCA Flower ships discreetly and securely in 28 GRAMS (\$40). Learn more about [what THCA is](#).
