About Glitter Bomb

Glitter Bomb Rosin Dabs

Glitter Bomb Rosin Dabs is an **indica-dominant concentrate** that shines with a sweet and fruity flavor profile. Extracted using a solventless process, this concentrate combines the essence of ripe berries, juicy grape, and a touch of citrus with subtle floral undertones. Glitter Bomb is an experience perfect for those who want to relax deeply while enjoying a rich, flavorful treat.

Terpene Profile

The distinctive aroma and taste of Glitter Bomb Rosin Dabs are attributed to its complex terpene profile:

- **Limonene:** Brings a citrus-forward brightness and mood-elevating qualities.
- **Myrcene:** Creates a calming, earthy base that promotes physical relaxation.
- **Caryophyllene:** Adds a spicy nuance while encouraging tension relief and balance.

Effects

Glitter Bomb Rosin Dabs delivers a deeply relaxing experience that begins with a euphoric uplift. You'll feel stress melt away as the initial cerebral buzz transitions into a soothing body high, helping to alleviate tension and support restful moments. Ideal for evening use, Glitter Bomb Rosin Dabs pairs well with unwinding after a long day or preparing for a restful night's sleep. Its calming effects may also be useful for tackling mild discomfort, making it a multi-purpose choice for relaxation and tranquility.

Please note that slight color variations between jars are normal and fall

within our quality standards. These minor differences can occur from batch to batch and are considered acceptable, as shown on our website.

Why Choose Glitter Bomb Live Rosin?

- **Verified potency:** 74.96% THCA, third-party lab tested with a COA.
- **Signature flavor:** and fruity.
- **Indica experience:** true-to-strain indica effects you can rely on.
- **Farm Bill compliant:** hemp-derived and under 0.3% delta-9 THC by dry weight.

Glitter Bomb Live Rosin

What Is Live Rosin?

Live rosin is a premium solventless concentrate pressed from fresh-frozen, ice-water-washed hash using only heat and pressure — no chemical solvents. The result preserves the plant's full terpene spectrum for unmatched, true-to-strain flavor.

How to Enjoy Glitter Bomb Live Rosin

Enjoy live rosin at low dab temperatures, 450–550°F (230–290°C), with a cold-start dab and carb cap, or in a rosin-compatible vaporizer. Keep it sealed and refrigerated for longer storage.

The Gold Canna Quality Promise

Every order of Glitter Bomb Live Rosin is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.

Glitter Bomb Live Rosin FAQ

How potent is Glitter Bomb Live Rosin?

This batch of Glitter Bomb Live Rosin tests at 74.96% THCA. THCA converts to THC when heated, so treat this as a high-potency product and start low.

Is it legal?

This is a hemp-derived product containing less than 0.3% delta-9 THC by dry weight, consistent with the 2018 Farm Bill. State laws vary and change — confirm your local rules before ordering. Must be 21+ to buy.

How is it shipped?

Glitter Bomb Live Rosin ships discreetly and securely in 2 GRAMS (\$56). Learn more about [how live rosin is pressed](#).
