Gumball Badder

What Is Badder?

Badder is a whipped THCA concentrate with a smooth, frosting-like consistency that scoops cleanly and delivers intense, terpene-rich flavor. It's prized by dabbers for balancing potency with ease of use.

How to Enjoy Gumball Badder

Dab badder at 500–575°F (260–300°C) with a quartz banger and carb cap, or add it to a concentrate-ready vaporizer. Store sealed, cool, and dark to preserve texture and terpenes.

The Gold Canna Quality Promise

Every order of Gumball Badder is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.
