

Premium Gush Mintz THCa Flower — Bulk / Wholesale Supply

Elite THCa Flower for Wholesale Buyers

Elevate your inventory with our top-shelf **Gush Mintz THCa flower**, now available in bulk for wholesale buyers. Crafted for maximum cannabinoid content and terpene expression, this hybrid strain combines deep relaxation with mouthwatering flavor. Whether you're a dispensary, smoke shop, or cannabis distributor, this is the **premium bulk THCa flower** your customers demand.

Key Product Highlights

- **High THCa content:** Consistently testing 26-30%+
- **Full panel third-party lab-tested** for potency, purity, and compliance
- **Federally legal** under the 2018 Farm Bill — Delta-9 THC < 0.3%
- **Terpene-rich strain:** Sweet berries, gas, mint, and earthy notes
- Grown in **controlled indoor environments** for optimal quality
- **Dense, frosty buds** — hand-trimmed and expertly cured
- Available in **bulk quantities** with fast fulfillment and discreet shipping
- Custom white-label and private label options available

Why Gush Mintz THCa Flower Stands Out

If you're searching to **buy THCa flower in bulk**, Gush Mintz offers a standout profile both in lab results and user appeal. It's perfect for businesses looking to supply high-demand strains with powerful visual bag appeal and powerful effects.

- **Highly photogenic buds:** Bright green, purple hues, and heavy trichomes
- **Ideal for smoking or extraction** — extremely resinous and terpene-rich
- Popular with connoisseurs and casual users alike
- Reliable potency every batch: ideal for brands requiring **consistent THCa percentages**
- Great for **flower jars, pre-rolls, or THCa-based extracts**

FAQs: Gush Mintz THCa Flower Wholesale

Is Gush Mintz THCa flower legal to buy wholesale?

Yes. Gush Mintz THCa flower contains less than 0.3% Delta-9 THC and complies with the 2018 Farm Bill, making it legal in most states where hemp is allowed.

What is the typical THCa percentage in Gush Mintz?

Our Gush Mintz THCa flower tests between 26–30% THCa, depending on the batch. COAs are included with every order.

How fast is shipping for wholesale orders?

Wholesale orders are processed quickly—typically within 24–48 hours. We offer tracked, discreet shipping nationwide.

Can I white-label Gush Mintz THCa flower for resale?

Yes. We offer private label and custom packaging options for resellers and brand owners.

Is this flower grown indoors or outdoors?

Our Gush Mintz is cultivated in premium indoor and light-deprivation environments to maximize cannabinoid and terpene levels.

Do you provide lab results?

Absolutely. Every batch is third-party lab-tested, and we supply COAs covering potency, pesticides, microbes, and heavy metals.

Secure your Gush Mintz THCa supply today. Whether you're ordering by the pound

or the pallet, we deliver **premium, high-potency bulk THCa flower** that meets market demand and satisfies consumer expectations. **Contact our wholesale team now** for pricing, COAs, and fulfillment details.
