About Gushers

Gushers Rosin Dabs

Gushers Rosin Dabs is a **balanced hybrid concentrate** that boasts a unique blend of flavor and relaxation, making it a standout choice for cannabis enthusiasts. This solventless rosin captures the full essence of the flower, offering a luscious mix of sweet, fruity, and creamy tropical notes with a hint of earthiness. Perfect for those seeking flavorful enjoyment with versatile effects, Gushers Rosin Dabs is ideal for any time of day when you want to elevate your mood while staying grounded.

Terpene Profile

The rich terpene profile of Gushers Rosin Dabs creates its signature flavor and experience:

- **Limonene:** Brings a vibrant citrus sweetness that uplifts and energizes.
- **Caryophyllene:** Offers subtle spicy undertones and calming, stress-relieving benefits.
- **Linalool:** Adds floral and herbal notes while encouraging relaxation and serenity.

Effects

Gushers Rosin Dabs delivers a well-rounded high that combines mental ease with physical comfort. Users often report an initial wave of euphoric happiness that clears the mind and enhances focus, followed by a warm body sensation that melts away tension. This makes it a great choice for creative tasks, unwinding with friends, or simply relaxing after a long day. Whether you're seeking tranquility or a boost of positivity, Gushers Rosin Dabs offers a flavorful escape into a balanced and blissful state.

Please note that slight color variations between jars are normal and fall within our quality standards. These minor differences can occur from batch to batch and are considered acceptable, as shown on our website.

- **Signature flavor:** unique blend of.
- **Hybrid experience:** true-to-strain hybrid effects you can rely on.
- **Farm Bill compliant:** hemp-derived and under 0.3% delta-9 THC by dry weight.

Gushers Live Rosin

What Is Live Rosin?

Live rosin is a premium solventless concentrate pressed from fresh-frozen, ice-water-washed hash using only heat and pressure — no chemical solvents. The result preserves the plant's full terpene spectrum for unmatched, true-to-strain flavor.

How to Enjoy Gushers Live Rosin

Enjoy live rosin at low dab temperatures, 450–550°F (230–290°C), with a cold-start dab and carb cap, or in a rosin-compatible vaporizer. Keep it sealed and refrigerated for longer storage.

The Gold Canna Quality Promise

Every order of Gushers Live Rosin is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.

Gushers Live Rosin FAQ

How potent is Gushers Live Rosin?

This batch of Gushers Live Rosin tests at 73.99% THCA. THCA converts to THC when heated, so treat this as a high-potency product and start low.

Is it legal?

This is a hemp-derived product containing less than 0.3% delta-9 THC by dry weight, consistent with the 2018 Farm Bill. State laws vary and change — confirm your local rules before ordering. Must be 21+ to buy.

How is it shipped?

Gushers Live Rosin ships discreetly and securely in 2 GRAMS (\$56). Learn more about [how live rosin is pressed](#).
