About Ice Cream Cake

Second-Press Select Rosin – Quality You Can Count On, Value You’ll Love

Introducing **Second-Press Select Rosin**, a carefully crafted extract designed to bring incredible value to your experience. This batch of rosin comes from a second round of pressing, which results in a darker color and less visual brilliance compared to our first-press or premium offerings. While it may not reach our highest-quality standards for appearance, this rosin still delivers enjoyable flavor, smooth smokeability, and reliable results—all at a price that’s easy on your wallet.

Perfect for the budget-conscious cannabis enthusiast, **Second-Press Select Rosin** is an ideal choice for casual sessions, experimenting with recipes, or elevating your everyday experience. Whether you’re adding it to a joint or enjoying it on its own, this batch provides a satisfying way to explore rosin without the premium price tag.

Why Choose Second-Press Select Rosin?

- **Affordable Quality**: A great option for those who want value without sacrificing smokeability or flavor.
- **Honest Craftsmanship**: Created with the same care and attention to detail as our premium lines—but sourced from a second press for a more budget-friendly solution.
- **Ideal for Everyday Use**: Whether it’s your go-to choice for a low-key session or a secondary option to stretch your stash, this rosin is made for practicality and versatility.

Product Details:

- **Appearance**: Darker hue and minor imperfections that don’t affect usability.
- **Effects**: Satisfying and balanced for relaxation, creativity, or unwinding, depending on strain availability.

- **Flavor Profile**: Slightly muted compared to premium offerings but still showcases strain-specific terpenes for an enjoyable experience.

Please note that slight color variations between jars are normal and fall within our quality standards. These minor differences can occur from batch to batch and are considered acceptable, as shown on our website.

Ice Cream Cake Live Rosin 2

What Is Live Rosin?

Live rosin is a premium solventless concentrate pressed from fresh-frozen, ice-water-washed hash using only heat and pressure — no chemical solvents. The result preserves the plant’s full terpene spectrum for unmatched, true-to-strain flavor.

How to Enjoy Ice Cream Cake Live Rosin 2

Enjoy live rosin at low dab temperatures, 450–550°F (230–290°C), with a cold-start

dab and carb cap, or in a rosin-compatible vaporizer. Keep it sealed and refrigerated for longer storage.

The Gold Canna Quality Promise

Every order of Ice Cream Cake Live Rosin 2 is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.
