

## Why Jealousy Is a Global Best-Seller

**Jealousy**, created by **Seed Junky Genetics**, is a potent cross between **Sherbert Bx1** and **Gelato 41**—two powerhouse strains known for flavor and strength. This hybrid delivers a **balanced body and cerebral high**, making it suitable for both recreational enjoyment and functional use.

With its vibrant buds—often displaying **purple, orange, and frosty white trichomes**—and a sweet, creamy gas-like aroma, Jealousy is a **top-shelf choice for dispensaries, bulk cannabis resellers, and eCommerce buyers** who want quality that sells itself.
