Why Jet Fuel Gelato Dominates Global Markets

Born from **Jet Fuel (High Octane OG x SFV OG)** and **Gelato 45**, **Jet Fuel Gelato** fuses power with flavor, delivering a bold high and long-lasting buzz. This **balanced hybrid** is renowned for its pungent **diesel aroma**, smooth **dessert-like undertone**, and gorgeous, sticky buds coated in trichomes.

Whether you're buying to consume or stocking shelves globally, this strain's mix of **potency, terpene richness, and visual appeal** makes it a fast-mover in any market. Ideal for **dispensaries, online shops, international wholesalers**, and premium cannabis brands.
