Why Kush Mints Is a Global Favorite

Kush Mints, bred by **Seed Junky Genetics**, is a powerhouse hybrid born from **Bubba Kush** and **Animal Mints**. Its balanced effects offer a clean, euphoric lift followed by a relaxing body buzz, making it ideal for both medical users and recreational connoisseurs.

With **dense, sticky buds**, a frosty coating of trichomes, and a flavor profile that mixes **cool mint, cookie dough, and pine**, Kush Mints stands out in any cannabis display. It's perfect for international bulk buyers, white-label brands, and dispensaries looking to stock a reliable top-shelf strain.
