About Lemon Cherry Gelato

First off, the head high creeps in with a gentle elation that's like flipping a switch in your brain. Stress? What stress? It's as if the weight of the day just melts away, replaced by a citrusy burst of creativity and focus. Users often report feeling uplifted, chatty even, like they've just stumbled into the best part of a party. But don't expect to be bouncing off the walls—this isn't a pure sativa rush. There's a balance here, a hybrid harmony that keeps things mellow.

Some folks lean more into the cerebral buzz, finding inspiration for art or music, while others sink deeper into the physical calm, making this a go-to for winding down.

The THCa concentration in Lemon Cherry Gelato Badder is 80.91% and total Cannabinoids present are 82.81%.

Lemon Cherry Gelato is an hybrid dominant strain suggested for daytime use.
