

## What Makes Meat Pie a Global Standout

**Meat Pie**, a cross between **Chemdawg D** and **Birthday Cake**, is a flavor-forward hybrid strain from **Cannarado Genetics**. It boasts a unique profile: **meaty diesel aroma**, creamy vanilla backend, and lemon-zest finish. The high begins with **euphoric head lift**, followed by a **grounding, full-body calm**—perfect for winding down without couchlock.

With **potency levels near 27% THC** and a dense, frosty structure, Meat Pie stands out in both **connoisseur markets** and **mainstream retail programs**.

## **FAQs About Meat Pie**

### **What does Meat Pie taste and smell like?**

A unique blend of **savory diesel**, creamy vanilla, and citrus spice.

### **What effects can I expect from Meat Pie?**

Euphoric, uplifting onset followed by relaxing, grounded calm—balanced and long-lasting.

### **Can I ship Meat Pie internationally?**

Yes. COA-backed batches are available under hemp-compliant laws (<0.3% delta-9 THC) for global shipment.

**Is this strain suitable for medical use?**

Yes. Many use it to treat stress, anxiety, fatigue, and appetite loss.

**What formats is it available in?**

Retail sizes (3.5g-28g), pre-rolls, or bulk by the pound or kilo.

**Is lab testing included?**

Absolutely. All orders ship with third-party COA reports covering potency, terpenes, and contaminants.
