

Why MK Ultra Is One of the Heaviest Indicas in the Market

Named after the infamous CIA mind-control project, **MK Ultra** delivers a **deep, sedative high** that hits fast and lingers long. Bred from **OG Kush** and **G13**, this strain is a staple in medical cannabis communities and among connoisseurs who prefer **heavy couchlock and tranquility**.

With **pungent earthy-pine notes**, dense buds, and THC levels well above average, MK Ultra is a perfect fit for **retailers and international buyers** needing a proven strain that satisfies those seeking **relief from anxiety, insomnia, and stress**.
