Permanent Marker Bubble Hash

## **What Is Bubble Hash?**

Bubble hash is a solventless concentrate made by washing cannabis in ice water and sieving the trichome heads through fine mesh. It's a traditional, full-spectrum extract with nothing added — pure resin, rich aroma, and versatile use.

## **How to Enjoy Permanent Marker Bubble Hash**

Dab bubble hash gently at lower temperatures, crumble it over a bowl, or roll it into a joint. Press a small piece between warm fingers first — it softens and handles beautifully. Store cool and sealed.

## **The Gold Canna Quality Promise**

Every order of Permanent Marker Bubble Hash is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.
