

## **Pink Champagne - Luxurious Indica for Bulk & Retail Buyers Worldwide**

**Pink Champagne**, also known as *Wow Kush* or *Phantom*, is a richly aromatic indica-dominant hybrid with deep roots in luxury cannabis genetics. A cross between **Cherry Pie** and **Granddaddy Purple**, this strain is prized for its **sweet berry fizz aroma, deep purple hues, and relaxing, euphoric effects**.

Ideal for end-of-day use or winding down after social events, **Pink Champagne** is loved by retail users and medical patients alike. Its smooth effects and top-shelf presentation make it a reliable mover for dispensaries and online retailers, while bulk buyers benefit from its visual appeal and consistent potency.

## FAQs

### **Is Pink Champagne a heavy indica?**

Yes, while technically a hybrid, its effects are strongly indica-leaning, offering a mellow body buzz and mental calm.

### **Can I buy Pink Champagne in small and large formats?**

Yes. We offer 1g to 28g options for retail and bulk sizes up to 1kg for commercial clients.

### **What makes Pink Champagne unique?**

Its luxurious aroma, color palette, and gentle sedative effects make it a premium choice in the indica category.

### **Is this suitable for medical use?**

Many patients use it for chronic pain, anxiety, or sleep support. Consult with a healthcare provider before use.

### **Do you offer COAs and terpene profiles?**

Yes, every batch includes lab reports confirming cannabinoid content, terpene percentages, and safety screenings.

### **Is international shipping available for Pink Champagne?**

Absolutely, where legal. We provide compliant packaging and full documentation for cross-border sales.
