Pink Pineapple CBD Flower

## **What Is CBD Flower?**

CBD flower is hemp-derived cannabis flower naturally high in cannabidiol (CBD) and very low in delta-9 THC (under 0.3%). It offers the calming, non-intoxicating benefits many people associate with CBD while preserving the plant's full aroma and terpene profile. Every batch is third-party lab tested and Farm Bill compliant.

## **How to Enjoy Pink Pineapple CBD Flower**

Enjoy CBD flower in a pipe, joint, or dry-herb vaporizer, or infuse it into oils and edibles. Because it's low in THC, it won't produce a strong high. Store in an airtight glass jar away from light and heat to keep it fresh.

## **The Gold Canna Quality Promise**

Every order of Pink Pineapple CBD Flower is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.
