FAQs

Is Purple Punch THCa Flower legal in my state?
Our Purple Punch THCa Flower is federally legal under the 2018 Farm Bill. However, we recommend checking your state's laws as some regulate THCa separately.

Do you include lab reports with every order?
Yes, all wholesale orders come with a full-panel COA verifying THCa content, terpene analysis, and safety screenings.

Is this strain grown indoors or outdoors?
Purple Punch is grown in controlled indoor environments to ensure rich coloration, full terpene expression, and maximum trichome production.

Can I sample before placing a bulk order?
Yes. Verified wholesale buyers can request sample packs of Purple Punch and other strains before purchasing at scale.

What are the effects of Purple Punch THCa Flower?
Expect a calming body high, mild euphoria, and deep physical relaxation—perfect for nighttime use or stress relief.

Do you offer custom packaging or branding services?
Absolutely. We support white-label and private label options for bulk clients. Ask us about branding options tailored to your needs.
