About Runtz

Runtz - Silky, Fruity, Balanced Hybrid

Runtz is a balanced hybrid that marries uplift and calm with a smooth, refined character; its dense, sugar-coated buds glint with violet and lime hues beneath a blanket of frosty trichomes. The aroma is sweet and confectionary with bright citrus and ripe berry notes, while the flavor carries creamy vanilla and candied fruit on the exhale, creating a polished, naturally indulgent experience.

Terpene Profile

The strain's aroma and effects are shaped by a harmonious terpene blend:

- **Limonene:** Contributes bright citrus top notes and a lively, uplifting edge.
- **Myrcene:** Adds a soft, fruity depth that rounds the flavor and smooths the finish.
- **Caryophyllene:** Brings warm, spicy undertones and a grounding, resinous balance.

Runtz THCA Flower

What Is THCA Flower?

THCA flower is premium hemp-derived cannabis flower naturally rich in tetrahydrocannabinolic acid (THCA). In its raw form THCA is non-intoxicating; when heated through smoking or vaping it converts to THC (decarboxylation), delivering the full experience. Every batch is third-party lab tested and compliant with the 2018 Farm Bill.

How to Enjoy Runtz THCA Flower

Grind a small amount and enjoy it in a pipe, bong, joint, or dry-herb vaporizer. Store the buds in an airtight glass jar away from light and heat to preserve the terpenes, aroma, and potency.
