

## Skywalker OG - Galactic Indica Hybrid Power for Bulk & Retail Buyers

**Skywalker OG**, a cross between **Skywalker** and the legendary **OG Kush**, is a potent **indica-dominant hybrid** known for its strong sedation, earthy aroma, and euphoric high. This strain is popular with users who need powerful relief from stress, pain, or insomnia—and it delivers with **THC levels often exceeding 24%**.

Loved for its **heavy, couch-locking effects, herbal pine flavor, and top-shelf bag appeal**, Skywalker OG is a smart addition to both **retail shelves** and **bulk wholesale portfolios**. Each flower is hand-trimmed, organically cultivated, and backed by full lab testing for international compliance.

## FAQs

### **Is Skywalker OG a full indica?**

It's an indica-dominant hybrid that behaves like a true indica—sedating, body-heavy, and calming.

### **What does Skywalker OG taste like?**

Expect earthy herbs, pine, citrus zest, and a strong OG diesel finish.

### **Is it available for wholesale and retail?**

Yes, it comes in 1g–28g retail formats and bulk options up to 1kg for commercial clients.

### **Is this strain good for insomnia or pain?**

Absolutely. It's widely used to relieve chronic pain, inflammation, and sleep issues.

### **Do you include lab results with each order?**

Yes. Every order includes COAs confirming cannabinoid content, terpene profile, and safety testing.

### **Do you ship Skywalker OG internationally?**

Yes, to cannabis-legal regions. We provide all export and compliance documentation.
