

Slurricane - Heavy Indica Relaxation for Bulk & Retail Cannabis Buyers

Slurricane is a knockout indica-dominant hybrid created by crossing **Do-Si-Dos** and **Purple Punch**. Known for its **grape and tropical fruit aroma**, ultra-smooth smoke, and full-body effects, this strain is a favorite for end-of-day use and **deep physical relief**.

Its high THC levels and visually stunning buds make **Slurricane** a must-have in any cannabis collection—especially for **wholesale distributors** looking for standout strains with reliable consumer demand. Whether you're a dispensary owner or a retail buyer, Slurricane offers potency, flavor, and beauty in one premium package.
