About Sour Diesel

Sour Diesel Flower

Sour Diesel, often nicknamed “Sour D,” is a legendary sativa strain renowned for its fast-acting and energizing effects. Its buds are light green with a frosty coating of trichomes and feature fiery orange pistils. True to its name, this strain delivers a distinct aroma of diesel fuel mixed with notes of citrus and earthiness. Sour Diesel is perfect for jumpstarting your day or powering through creative projects. At just \$99.99 per ounce, it's an iconic classic you won't want to miss.

Terpene Profile

Sour Diesel's unique aroma and uplifting effects are rooted in its well-rounded terpene profile:

- **Caryophyllene:** Adds a hint of spiciness while promoting a sense of calm and balance.
- **Limonene:** Brightens the flavor with citrusy notes while aiding in mental clarity and mood elevation.
- **Myrcene:** Complements the strain with earthy and herbal undertones that sustain relaxation.

Effects

As a pure sativa, Sour Diesel provides an energizing and cerebral experience that many turn to for its invigorating properties. Users commonly report a wave of mental focus and motivation, making it a staple for creative endeavors, brainstorming sessions, or lively conversations. The uplifting energy of Sour Diesel is paired with a light body relaxation, keeping you engaged without feeling weighed

down. This makes it a go-to for daytime use or anytime productivity is essential.

Why Choose Sour Diesel?

For only \$99.99 per ounce, Sour Diesel delivers bold flavors, unmatched potency, and the iconic effects that have made it a favorite across the cannabis community. Whether you're seeking inspiration or need a mental boost to seize the day, Sour Diesel is the strain to keep you motivated and ready for anything.

Sour Diesel THCA Content 25.82%

Why Choose Sour Diesel Greenhouse THCA Flower?

- **Verified potency:** 25.82% THCA, third-party lab tested with a COA.
- **Signature flavor:** diesel fuel mixed with notes of citrus and earthiness.
- **Sativa experience:** true-to-strain sativa effects you can rely on.
- **Farm Bill compliant:** hemp-derived and under 0.3% delta-9 THC by dry weight.

Sour Diesel Greenhouse THCA Flower

What Is THCA Flower?

THCA flower is premium hemp-derived cannabis flower naturally rich in tetrahydrocannabinolic acid (THCA). In its raw form THCA is non-intoxicating; when heated through smoking or vaping it converts to THC (decarboxylation), delivering the full experience. Every batch is third-party lab tested and compliant with the 2018 Farm Bill.

How to Enjoy Sour Diesel Greenhouse THCA Flower

Grind a small amount and enjoy it in a pipe, bong, joint, or dry-herb vaporizer. Store the buds in an airtight glass jar away from light and heat to preserve the terpenes, aroma, and potency.

The Gold Canna Quality Promise

Every order of Sour Diesel Greenhouse THCA Flower is held to the same standard: premium, hand-selected product, third-party lab testing through accredited laboratories, and a Certificate of Analysis you can review for full transparency on cannabinoids and purity. We vacuum-seal and discreetly package each order for freshness, then ship quickly with tracking so it arrives in peak condition. If you have questions about potency, effects, or the best way to enjoy it, our team is glad to help you choose the right option with confidence.

Sour Diesel Greenhouse THCA Flower FAQ

How potent is Sour Diesel Greenhouse THCA Flower?

This batch of Sour Diesel Greenhouse THCA Flower tests at 25.82% THCA. THCA converts to THC when heated, so treat this as a high-potency product and start low.
