## Wappa – Smooth, Sweet Indica-Dominant Strain for Global Buyers

**Wappa** is a fruity, aromatic indica-dominant hybrid bred by **Paradise Seeds**, loved for its **relaxing high, fast-flowering genetics**, and versatile daytime or evening use. This strain offers **a balanced body buzz and mental ease** without overwhelming sedation, making it ideal for users who want to relax and unwind while remaining functional.

Retailers and bulk distributors alike benefit from Wappa's **beautiful bag appeal**, **crowd-pleasing flavor**, and **broad market demand**. With a strong terpene profile dominated by fruit and floral notes, **Wappa delivers a smooth smoke** that keeps customers coming back. It's cultivated organically and third-party tested to ensure international compliance and potency.
