Strain Profile: Legendary Lineage, Iconic Effects

Our **White Widow THCa Flower** is a perfectly balanced hybrid, originally bred by crossing a Brazilian Sativa with a South Indian Indica. The result? A frosty, trichome-coated flower that's dense, aromatic, and unforgettable.

Strain Highlights:

- **Type:** Hybrid (50/50)
- **THCa Content:** Up to 28%
- **Appearance:** Frosty white trichomes with lime green buds
- **Aroma & Flavor:** Earthy, piney, with hints of spice and citrus
- **Terpene Profile:** Myrcene, Caryophyllene, Pinene

This versatile strain delivers a cerebral buzz followed by relaxing body effects—perfect for customers seeking a well-rounded experience from **premium THCa strains**.

Potent, Pure, and Third-Party Lab-Tested

Your wholesale clients expect the best—and we deliver. Our **White Widow THCa Flower** undergoes rigorous third-party lab testing to ensure purity, cannabinoid content, and safety.

Testing Includes:

- THCa & total cannabinoid profile
- Pesticide and heavy metal screening
- Microbial safety assurance
- Moisture and terpene analysis

These tests confirm that our **high-potency hemp flower** not only meets federal compliance under the 2018 Farm Bill (Δ9 THC < 0.3%) but exceeds expectations in potency and quality.
