

## Why Wifi OG Is a Must-Have Strain Globally

**Wifi OG** (short for **White Fire OG**) is a cross between the legendary **Fire OG** and **The White**. This strain is **high in THC**, coated in a thick layer of crystal trichomes, and delivers a **creative, focused high** perfect for daytime use or elevated productivity.

With a pungent **diesel and citrus aroma**, Wifi OG appeals to both recreational users and medical patients seeking relief from anxiety, depression, and fatigue. For **wholesale distributors and cannabis retailers**, it provides **reliable potency, beautiful bag appeal, and strong market recognition**.

## Wholesale Advantages of Wifi OG

Bulk buyers and cannabis entrepreneurs benefit from choosing **Wifi OG** for their inventory:

- **High Potency:** Regularly tests above 25% THC.

- **Bag Appeal:** Frosty buds with orange hairs and gassy aroma.
- **Flexible Packaging:** Bulk pounds or retail-ready packs available.
- **Branding Support:** White-label and private-label options ready for dispensaries and eCommerce.
- **Export-Compliant Batches:** <0.3% delta-9 THC variants for global legal markets.

Ideal for dispensaries, online shops, wellness clinics, and premium pre-roll lines.
