Strain Profile: Exotic Genetics, Jaw-Dropping Bag Appeal

Zoap THCa Flower is a cross between **Rainbow Sherbet and Pink Guava**, bred by DEO Farms and amplified by Deep East Farms. The result? One of the most eye-catching and terpene-loaded strains available on the wholesale THCa market.

Strain Breakdown:

- **Type:** Balanced Hybrid
- **THCa Potency:** Up to 30%
- **Bud Structure:** Dense, colorful with pink, purple, and lime tones
- **Flavor/Aroma:** Fruity, floral, soapy-sweet with creamy undertones
- **Terpenes:** Limonene, Linalool, Caryophyllene

Its unique aroma profile, potent effects, and candy-like appeal make **Zoap** a **top-shelf THCa strain** that flies off retail shelves.
